ODU MINI-MED®

The overmolded connector for measurement and testing, industrial and medical devices.
CREATING CONNECTIONS, BUILDING ALLIANCES, COLLABORATING INTO THE FUTURE

ODU GROUP OVERVIEW

- More than 70 years of connector experience
- €146 million in turnover
- Over 1,650 employees worldwide
- 9 sales subsidiaries: China, Denmark, France, Germany, Italy, Japan, Sweden, the UK and the US
- All technologies under one roof: design and development, machine tool and special machine construction, injection, stamping, turning, surface technology, assembly and cable assembly

As of February 2016

CERTIFIED QUALITY

- DIN EN ISO 9001
- DIN ISO TS 16949
- DIN EN ISO 14001
- ISO 13485
- Wide range of UL, CSA, VG and DNA licenses
- UL-certified cable assembly

For a complete list of our certifications, please visit our website.

CUSTOMER-SPECIFIC SOLUTIONS

Contacts, connectors and cable assembly integrated solutions meeting the most demanding technical market requirements — ODU’s connector solutions and value-added services are characterized by their exclusive focus on meeting the customer’s needs.

- Precise implementation of application-specific requirements regarding design, functionality, cost and exclusivity
- Custom connector solutions derived from standard products
- One-to-one local expertise and fair, friendly consulting
- Quick prototyping and production turnaround

TECHNOLOGY THAT UNITES – CONNECTIONS THAT INSPIRE

For the past 70 years, this commitment has enabled us to innovate and provide solutions that respond to continuously changing market needs. We provide high-quality electrical connectors that create added value for our customers and any market player seeking a reliable connector solution to enable the transmission of power, signals, media and data transmission.

A PERFECT ALLIANCE is our guiding principle. It represents the synergy between our high-quality connector solutions and the strong partnerships we build with our staff and business partners across the globe — partnerships based on trust, reliability and mutual respect.

ODU is one of the world’s leading suppliers of connector systems today, employing over 1,650 people worldwide and generating approximately €146 million in sales. To ensure the very highest quality standards in our cutting-edge products, we continuously invest in their development and production — and ultimately, in our very unique expertise. Over the past few years, our development of customer- and application-specific connectors has led to the sustained growth of our standard product range so that today, we cover a broad range of application areas. A balance between project-specific business, including customized developments, and standard connector design will continue to shape our business into the future. This holds true for emerging and future markets, such as medical, military and security, and energy, as well as for the special requirements of measurement and testing, eMobility and industrial electronics.

A PERFECT ALLIANCE — The future of ODU will continue to find solid ground for growth: in our focus on providing reliable connector solutions for a variety of challenging applications and in our commitment to continuously expanding our technology portfolio. It’s what we do and who we are — around the globe. This brochure is an invitation for you to become even better acquainted with ODU, an internationally active technology company devoted to creating high-quality customized connector solutions.

**The ODU MINI-MED® – The Perfect Choice**

This assembled plastic connection will always come in handy when a light, space-saving and watertight cable assembly is required. The ODU MINI-MED can be easily mated and has a break-away function to ensure the quick disconnection of plug and in-line receptacle or receptacle. This solution offers safe, hassle-free use in fields with hygiene requirements, such as in medical technology. The compact MINI-MED connection can also be used in the industrial electronics or measurement and testing.

**IMPRESSIONS – The ODU MINI-MED®**

- 2 to 6 contacts
- >1,000 mating cycles
- IP 67 protection class when mated
- Gold plated contacts with soldered connection
- EtO sterilizable
- DEHP-free
- Assembled with PVC cable* (white)
- Available in these cable lengths: 0.5 m / 5 m
- PVC cable operating temperature: -15°C to +80°C
- Break-away function

*Silicone cable (grey) upon request.

**APPICATION OPTIONS**

**Medical**
- Portable patient monitor
- Infusion device
- Insulin pump
- Catheter system
- Blood pressure monitor

**Industrial**
- Handset pad
- E-bikes
- High-tech street lights
- Fitness and wellness machines
- Barcode scanner

**Measurement and Testing**
- Conductometer
- I/O connection
- Measuring sensor
**BREAK-AWAY PLUG** (including cable, cable assembly and overmolding)
